ROYAL SPA

1995 30 2025

As a Czech family business, we have been operating a number of spa hotels and resorts in our beautiful country for 30 years. We recently expanded to Austria, to Bad Hofgastein, where we combine our long-standing spa tradition with the unique Alpine atmosphere. We offer first-class spa care, focusing in particular on a combination of natural healing resources and modern medicine.

With our holistic approach, HEALTH BALANCE POINT®, which we have developed over many years in our establishments, our spa treatments achieve the best results for our spa guests. Your health is important to us, because health is the most important thing in human life – it must be cared for with the utmost care. We live our holistic approach with the goal of helping all our guests find their health balance. To do this, we use the latest medical procedures, which we support with the power of natural remedies. The beneficial effects of the spa climate perfectly complement the treatments with the latest technologies. We respond individually and respectfully to the needs of each guest. In our facilities, you will find the highest level of medical expertise and friendly personal attention. We are close to nature and have been caring for your health for 30 years in five spa towns – Luhačovice, Mariánské Lázně, Ostrožská Nová Ves, Velké Losiny, and Bad Hofgastein.
