LUHAČOVICE

A SPA WITH UNIQUE ARCHITECTURE

- The fourth biggest spa resort in the Czech Republic with unique architecture by Dušan Jurkovič.
- 16 mineral springs recommended for drinking therapy, inhalation and bath treatment.
- A rich programme of cultural events - concerts, performances and international festivals.
- Well-marked touristic routes in the surroundings, walking in the park, an ideal place for bike trips.
- Sport activities - tennis, minigolf, squash, bowling, horse riding, water sports at the nearby dam.

PROFESSIONAL SPA TREATMENT AND RELAXATION

- Spa therapy specializing in the treatment of diseases of the respiratory tract, locomotive and neurological system, digestive tract, metabolism, circulatory system and remitting oncological diseases.
- Doctor's surgery and medical staff - medical services 24 hours.
- Spa treatments based on natural resources.
- 2 mineral springs - Jaroslava and saint Josef.
- Complete balneotherapy with a wide range of spa treatments. Java massage salon.
- Possibility of personalised diets and consultation with a nutritionist.

SPA HOTELS MIRAMARE

- **Spa hotels MIRAMARE** are located in the quiet environment of Luhačovice, near the centre and spa park. Hotels offers complex services and more than 80 treatments under one roof. Own mineral springs.
- **Spa hotel VILA ANTOANETA** is located in a quiet part of the town close to the spa park and the collonade. It offers complex services under one roof, amazing water relaxation center and wide range of spa treatments. The hotel is suitable for the younger generation and families with children.
- **Luxury Spa & Wellness VILA VALAŠKA** became one of the architect Jurkovič's most important buildings in Luhačovice. VILA VALAŠKA is connected to the nearby spa hotel VILA ANTOANETA and offers stylish accommodation in 9 suites, exceptional balneotherapy and great gastronomy. The hotel is suitable for smaller celebrations and corporate events for up to 20 people.
